SIMONY

GIRLS LOVE IT

Dear Purely 18,

Sometimes my friends give me a hard time for looking at young girls and I start to wonder if maybe I'm doing something wrong. Sure, I'm getting up there in years (I'm 53), but does that mean I can't enjoy the beautiful things around me? Am I supposed to stop enjoying sunsets, too?

Seriously, where does it all end?

Then I'll get my issue of P18 in the mail and realize that it's okay to look at teen hotties. In fact, they love the attention. I mean, look at Simony from the August issue. She's about the most beautiful girl I've ever seen, and if she didn't want me to watch her fingering her wet, shaved pussy, she wouldn't have taken off her red shorts. If she didn't want old Hank getting off on her plump, natural titties, she wouldn't have taken off her top. Can I help it if a gorgeous 18-year-old with pigtails gets my blood pumping? No, I can't. And I don't want to. Thank you, PURELY 18, for letting horny older gentlemen like myself know that it's okay to enjoy the finer things in life.

Hank
Charles City, IA

Dear Hank,

How right you are! There's no law that says we have to quit enjoying nature's most beautiful things just because we get older. This isn't Russia! We bet your friends are probably ogling the same girls, but they won't admit it just because they're insecure about themselves. Maybe you should buy them gift subscriptions to P18!

GETTING STICKY WITH NIKKI

Dear Purely 18,

Did I ever get my money's worth buying your magazine! Check this out: My doctor gave me a Viagra sample a while back and I've been saving it for a lucky lady. Well, your August centerfold, Nikki, was just

what I had been waiting for. As soon as I got home I took the pill and went straight to the photos of that slender, young sweetie-pie. I relished every moment as she took off her striped tank-top to show her little boobies. I cheered her on as she slipped off her panties. I stroked along as she played with her well-trimmed snatch and her finger disappeared into her little hole. And does that Viagra ever work! Nikki and I shared one of the most memorable days of my life together. I thought it

LELA & CELESTE

only polite to let her know just how much fun we had. Hopefully this will encourage her to come back real soon!

**Keith
Richardson, TX**

Dear Keith,

We're pleased and proud to hear about your special time with Nikki. She will be dropping by the office next week and we promise to put your letter on the top of her pile of mail. We'll also ask her about doing more photos since we're big fans of hers, too!

LELA & CELESTE—THE BEST

Dear Purely 18,

Writing you is maybe the most difficult thing I've ever done. I found your magazine while cleaning my brother's room. I can't begin to express the sense of outrage that I felt. After all, these girls are even younger than me (I just turned 21). I thought, *Why are they getting naked (and having sex even!) for the whole world to see?*

The next day I found myself digging the magazine out of the garbage and giving it a second look. I really fixated on Celeste Star and Lela Star. They are both so beautiful and seeing them together just, well, it suddenly just made sense to me. I guess I've always been curious, but now I'm on a mission. I dream every night of my tongue exploring Celeste's pussy while Lela lowers her awesome cunt onto my face. So I'm writing, hoping you can help me. Am I crazy? Do girls really do stuff like this in real

life? If not, I think I'd like to do a photo shoot, too. I swear I'm pretty and I'm not that old!

**Michelle
Williams, AZ**

Dear Michelle,

You're not crazy at all. Anyone who could look at Celeste and Lela and NOT want to jump in the middle is crazy! And, yes, girls really do these things in real life. If you still want to do a photo shoot, your first step is sending some pictures to PURELY 18 headquarters. Good luck!

PERFECT 10

Dear Purely 18,

Oh, did Carina bring back some great memories! Do you remember the movie *10* with Bo Derek? Well, Bo had hair like Carina's, in long braids and stuff. Bo was a real big sex symbol and I think Carina has what it takes to be the next Bo. I think you'll agree after reading my list of things they have in common.

Long, blonde hair in braids. Super perfect tits. Looks hot in jeans. And she likes older men! The one big advantage Carina has is that she likes to fuck for all of us to see. (Of course, I always wanted to see Bo do it, too, but never got to.) Carina is flawless with a stiff dick deep in her smooth-as-silk pussy. What will Carina do next?

**JJ
Greenville, DE**

Dear JJ,

Of course we remember that movie. It's one of our all-time favorites. Carina has proven to be very popular with P18 readers and time will tell. We think her future is wide open—just like her lovely legs!

CARINA

Nautica

Cum And Knock On Our Door

This is Nautica. Notice the first part of her name is "naut" as in "naughty." This girl definitely lives up to that name. Still 18, she is the quintessential naughty girl next door, going out of her way to tease and drive guys wild. And you gotta love them tube socks!

But she isn't just a tease. Nautica knows a thing or two about making dicks disappear into her tight little holes. How we'd love for her to cum knocking on our door and say, "I'm locked out, can I stay with you until my parents come home?"

What goes through the mind of a young girl is fascinating fodder. Each month, *Purely 18* gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Paula, a curious 18-year-old, as she ponders her world of . . . what else . . . SEX!

A Young Girl's Diary

Sandra and Loydi were talking about "rolling up the muff" and I was like "What does that mean?" and Loydi was like "You know, shaving off your pussy hairs." I was like, "Omigod, that totally makes sense!" Sandra said her sister taught her how to do it over the summer. But that's not all—a bunch of the girls were talking about doing all kinds of things with boys. Like Tara said she met these two guys at a party and gave them both blowjobs at the same time! I was like "That's a total lie. You can't even do that." And she's like "I'm not going to lie. I did it. I just didn't put them both in my mouth at the exact same time." She said that one guy's cock came in her mouth and

realize that I was rubbing his dick through his jeans, but I was. I don't know what came over me, but I just stared at him and didn't even answer him. I just tried to get his jeans unbuttoned but I couldn't and then he said, "Here, let me help you." He undid his jeans and then pulled out his meat and it was huge. I looked over at Tammy and she wasn't even paying attention because she was totally into it. So I got down on my knees and he pulled my hair back and put his dick in my mouth! The whole time I was totally surprised at myself. He kind of pumped it in my mouth a little bit. I couldn't get very much in. He was like "Put your hand here" and he put my hand at the bottom and I

"He made this big grunt and his body shook and all of a sudden my mouth was filled with this hot, sticky stuff."

the other one surprised her and it got all over her face. Do you think that really happened? And should I shave off my muff? I waited forever to get them and now I'm supposed to shave them off?

stroked it a few times like Tammy was doing and then he made this big grunt and his body shook and all of a sudden my mouth was filled with this hot, sticky stuff (I guess that's cum). I gave my first blowjob and now I think Will and I are totally going together!

Monday

Dear Diary,

Today was my first day of gym class and I'm so confused! Everyone has changed so much since last year. Everybody probably thinks I'm a total lez because I was staring at everyone. When we were getting undressed Julie was like, "Hey everybody, look at these melons!" And she totally took off her bra and just covered her boobs with her hands and they were huge! The weirdest thing is some of the girls who have the biggest boobs don't have any pubies. Even Karen, who I know for a fact had a bush last year didn't have any hair down there! So she shaved it! It's so weird!

Tuesday

Dear Diary,

Things are starting to make sense. Sorta. At lunch some of the girls were talking about boys and I couldn't believe some of the things they've done. But first things first:

Thursday

Dear Diary,

Omigod you are not going to believe what happened! I went over to Tammy's house to study and these two guys from Central came over. Their names were Will and Greg. Well Tammy and Greg went to her room to get a book and didn't come back for forever so I went in there and I found them all right—and that's not all! She was totally giving him a blowjob! His dick was almost all the way in her mouth when I walked in and she didn't freak out or anything. She was like "Come here, it's tight, you'll love it." Just then Will put his hand on my shoulder and gently spun me around and kissed me for the longest time. Then he took my hand in his and he rubbed it lightly on his jeans and I could totally feel his boner! He was all "You don't have to do anything you don't want to do, but if you want to try I'm here for you. Do you want to try?" I didn't even

Friday

Dear Diary,

I am so embarrassed! At lunch today Tammy told the whole table about the other night! I mean, I'm not ashamed of it, but she didn't have to go announcing it to the whole stupid world. But then all the girls starting telling their stories, like all competitive and stuff. Like Leanne said she slept with six guys this summer. And Shivon, well, I can't even tell you what Shivon said she did! It was so dirty! Lots of the girls said they have given blowjobs before and everybody had advice. "Make sure you don't use your teeth." "Loosen up your throat and the whole thing will go in." "Use lots of saliva." There seems to be so much to remember, I don't know if I'll ever do it right. I'm still a little mad at Tammy, but I'm supposed to sleep over at her house tonight, so I guess I'm not that mad. I sure hope Will and Greg come over!

Saturday

Dear Diary,

I don't have a lot of time, but I'll try to tell you everything as fast as I can. Remember when I said I was going to Tammy's and I was hoping that Will and Greg would show up? Well they did and you won't

believe what happened! We were all sitting around Tammy's basement watching tv when Tammy goes "Hey, do you want me to teach you how to give a blowjob?" She just blurted it out. And then Greg was like "You should because she's the best." I looked at Will and he said, "Well if you want to, I'll help." So both the guys took off their clothes and Tammy was sucking on Greg's dick and I was just watching and then she said, "Come here" and I went over and she put Greg's dick in my mouth and held my head and moved it back and forth. Then I stopped because I was worried about Will, but Tammy had his big dick in her hand and was just stroking it slowly. (Greg's isn't as thick, but it's pretty long.) Next thing I know, I had one penis in my mouth and another in my hand and Tammy was telling me how to do everything. I thought I was smart, but it's hard doing two things at once! And did I mention I took off my shirt? It was totally getting wet from all the saliva so Tammy just yanked it off me and took off my bra too! It was kind of crazy, but I really liked it! I have to go because I'm going to spend the night there tonight again. Greg and Will are supposed to come over. I can hardly wait!

Sunday

Dear Diary,

Like I said, I went over to Tammy's. We sat around for hours talking about boys and it was really nice. We're totally best friends now. We almost gave up on Greg and Will, but they finally showed up. I think they were a little tipsy, but they both denied it. So this time we didn't watch tv or anything. Almost before they could sit down Tammy was telling them to take their pants off. She's so horny! The guys of course took their clothes off right away and their dicks were already hard. So she starts jerking them both off and totally being greedy and then finally Greg was like "What about your friend?" And Tammy was totally like "I'm so sorry." I took my shirt off and got down on my knees and gave the best blowjob of my whole life. Will's cum went all over my hair and my face and even my boobs. He was like "I never came so much ever!" Even Tammy couldn't believe it. It was awesome. And you know what? I think Tammy touched my boobs while I was sucking on his dick. I was looking up into Will's eyes and thought it was him, but now that I think about it, I'm pretty sure it was Tammy. Do you think she's a lezbo? Does that make me a lezbo, too? After everything that's happened this week, I don't know what to think! I'll tell you this much, I'm sure glad school is back in session!

Tara, Natali & Mark

Three's Cum-pany

Tara and Natali are two typical teenyboppers. They have nothing on their minds but boys, and are curious about sex. At 18, they don't even want to consider themselves as grown-ups yet, but they definitely want to try grown-up things. The two trick their older neighbor, Mark, to sneak down to the basement with them. Mark knows exactly what they mean. He's already rock-hard and ready to show Tara and Natali all about being grown-up. Well girls, being grown-up means a lot more than just sex...but that's the most important part!

Before She Was A Porn Star!

Prior to Terri Summers becoming a household-name as an adult film star, she had posed for a few layouts to test the uncharted waters. And were we ever knocked out by her! With her adorable face, perfect boobies, toned tummy, firm ass, and long, shapely legs—not to mention her tigress-like attitude in the sack, Terri has evolved into a superstar in the adult biz, and deservedly so. But we still fondly remember her early days from a few years back in **Purely 18!**

Taste Great Together

We love when two of our favorite girls get together for a photo shoot. We see them (and shoot loads all over them) several times, now we get to see them in girl-on-girl action. We dream of stepping right into these pics and joining them, sandwiching ourselves between these two hot teen porn queens. Both girls are rising stars in the jizz biz, and still return to our magazine in between hardcore flicks. So when will we see these girls getting fucked and licking loads off each other? We're working on it...

SMOKIN' HOT 2

Story By Acme Andersson

IT'S HARD TO COMPREHEND how there can be such a powerfully strong campaign against smokin' these days. Perhaps if copies of *Smokin' Hot #2* were distributed among the powerful anti-smokin' lobby, they would immediately change their position—or at least be too pre-occupied to do any more damage. So consider this a public service announcement.

So let us start a pro-*Smokin'* campaign here and now. An all-star team of lobbyists has been assembled for the cause: Holly Morgan, Bobbi Starr, McKenzie Miles, Tia Tanaka, Eva Angelina, and Lorena Sanchez have each dedicated mind and body to our noble cause. They provide the smokin' bodies, smokin' blowjobs, smokin' sex scenes—when it comes to these girls, you name it, it's smokin'!

While some say it is yet to be seen if gorgeous teenage girls can really change the world, we know the truth: Young girls make the world go around. If you didn't believe it before, you will after watching *Smokin' Hot #2*.

No actual cigarettes were smoked in the making of this movie.

LORENA SANCHEZ, EVA ANGELINA, JOHN STRONG

While these lovely ladies really need no introduction, we wouldn't want them to feel slighted. Eva is most recognizable to us when she has her glasses on, as she does when she opens this scene, but even without, we can see that the young 'un is a beauty. Lorena is Latina cutie, standing proud at five-feet and two-inches with a body to die-ay-ay! for.

The girls open up the action with a foot fetishist's dream sequence, Lorena loving Eva's freshly manicured hooves. While Lorena goes toe-to-toe with her lick and suck, Eva spends some time giving herself a breast exam, tweaking her nipples especially good. As Lorena works her way up Eva's legs, the two twist into pretzel-inspired positions of mutual adoration. Just as their fingers discover each other's wet spot, in struts John Strong. He gives each a quick kiss and then plants himself between them so they can smoke his hard pole. Before you can ask, "How many fingers am I holding up?",

Eva's glasses have been hastily discarded. Lucky the little lass has a tremendous sense of smell, because even with a cock plowing her field of dreams her pink tongue is able to find Lorena's pretty peach.

Lorena gets equal time with her snatch packed with pole. If one momentarily loses track of who is getting rammed, Lorena is the one who likes to scream, "Ay! Ay! Ay!" Ay-ay-ay indeed! Strong obviously sits at the best end of this two-for-one offer, and he spends more time than not just sitting back as the girls take turns fucking him. The hardest work he does is when he is fucking Lorena and pulls his dick out just in time to blast Eva in the mouth. While a few splurts miss and get Lorena right on the cooch, Eva shares what she has, dripping it into Lorena's hungry mouth. BFF!

TIA TANAKA, MR. PETE

There's a reason we call her Tia Ta-knock-out, because this little thing packs a big punch. Here she's all gussied up in red

These babes are Smokin' Hot! Holly Morgan and (top to bottom) Bobbi Starr, McKenzie Miles, Tia Tanaka, and Eva Angelina (left) and Lorena Sanchez.

heels, and a matching red tartan bikini top, schoolgirl skirt, and panties. She doesn't need any lessons in taking it off, and in minutes is down to nothing but her little panties. It's nice of her to let Mr. Pete remove something, just so he feels he had to work for it.

Mr. Pete manages just fine, peeling off the final threads of cotton to reveal a perfect, puffy snatch with only the slightest tuft of hair. After a moment of finger play, Tia moves down to her knees and unleashes his beast right into her mouth. She swallows deep, sending saliva dripping out of her yapper. Mr. Pete reacts by pulling away so he can ditch his dungarees and commence to consecrating their relationship. He guides her through a little more cock-sucking, then turns her around and slowly enters her tight pussy hole. She moans loudly, spit still surrounding her lips. He holds her as she bends over the pool table, his cue inside her corner pocket right up to his balls. Without pulling out, he fucks her right over to the couch, bends her over even further and pumps her good.

They run through the old give-and-take,

Dark-haired hotties Lorena Sanchez and Eva Angelina take turns riding John Strong's dong!

Tia Tanaka looks sweet, fucking Mr. Pete's meat!

with breaks to lick on each other's not-so-privates. In the final chapter of their love story, Tia is all smiles as she looks up at him from bended knees. His juicy fruit gives her the splurt and splatter, and she contentedly looks at him, and then us.

HOLLY MORGAN, JOHN STRONG

For flaxen-focused fans waiting anxiously for some blonde satisfaction, your patience pays off in the form of Holly Morgan. She's the *Smokin' Hot* #2 box cover girl, and not without reason. The pretty face, the full body, the dirty things she does—she's everything we want from our young lusties.

We get a long tease performance from Holly, who moves gingerly through the house, slowly exploring her body. She squeezes her tits, slides her hand down her panties, presses her bubble-butt up against a glass divider—by the time she takes her top off, many will have already lost load number one. She finally makes it down the stairs to a couch in the living room, crawls slowly across it while looking us in the eye, and at the opposite end she encounters a hard cock ready and waiting for her pretty mouth. She licks, flicks it with her tongue, gobbles it noisily, taking it as deep as it can possibly go.

Holly Morgan is
"smokin' hot" in
every position!

Finally John Strong (we do finally see his face) can take no more and pulls her up to top him off. She lowers cooze onto cock and immediately they begin a ride that has both bodies shaking. Her pussy is fully shaved and her pussy lips flop around his cock as he thrusts in and out. By the closing shot, Holly's hair and makeup are undone, but she retains enthusiasm for the blowing of load, which splatters her from chin to hair and everywhere in between.

MCKENZEE MILES, SASCHA

McKenzie is another smokin' blonde, with a slender figure accented nicely by the small curves of her tits and ass. She gives us a point-by-point tease, complete with titty-play, pussy play, and the showing off of the aforementioned fabulous ass. After a few minutes of taunting, McKenzie makes her way into another room where—*ta-da!*—there is a hard cock waiting for her. Coincidence? Don't bet on it.

There is, of course, only one reaction a horny teen will have in the presence of a stiff male member and that is to immediately balance herself on her little knees and commence with the suck-and-stroke.

McKenzie does it well, with Sascha's fat pole squeezing its way into her mouth. Meanwhile, his fingers explore her bald beaver and slide into her little muffin. Fun, yes, but little preparation for popping that big tool in that tiny cave!

But don't worry about McKenzie, she is a girl of great dedication, and she works her twat down on that cock until every inch disappears inside her. After a few minutes it's like just another cock and she takes it with great ease. It's not the only thing she takes with great ease—when Sascha is ready to dispense with his vitamin C, she turns around at lightning speed and plants her mouth at the head of his cock. spurts disappear into her mouth and down her throat as she swallows it all.

BOBBI STARR, JOHN STRONG, BENJAMIN BRAT

The first thing one says when glimpsing Bobbi is, "How cute is this girl?!" It's a rhetorical question, really, with a timeless answer: "*That* cute, that's how cute she is, *that* cutel!" She has long, dark hair and a pretty face surrounded by brunette ringlets. Her smile professes innocence, while her mouth curls into a sexy, pursing pout as she teases her tits and slips a finger 'neath her panties in self-exploration. Finally, she struts high-heeled into the house, slides out of her shoes and panties, and heads to the bed.

In a move that sets a new standard for wasting no time, the first we see of a cock is when Bobbi lowers her ass onto John Strong's rod. Within seconds, Benjamin Brat is present as well, slipping his rod into her wet snatch. What better way to say hello than to knock down a girl's front and back doors?

It should come as no surprise that things do not slow down from there. Nary is the moment that two out of three holes are not crammed with cock. Our innocent-looking superslut doesn't slow down until the guys take turns plopping loads into her mouth. Even then she is out of breath and moaning. A slight giggle escapes through the mouthful of jizz as she pushes it forward in her mouth for us to see. She lets it all slip down her throat and opens wide for all to see. And it gives pause as we think, *Smokin'* is indeed a very good thing.

Hunnie

Sticky Fingers

Ah, sweet, delicious, oh-so-sticky Hunnie. Sweet describes her perky, playful, semi-innocent charm. Delicious refers to every inch of her tight little still-only-18 body. Oh-so-sticky can mean a couple of things. Her wet pussy, when she touches herself, and also your fingers, after you've jerked off all over her pictures!

Cayenne

Sweet 'N' Spicy

Meeet Cayenne. Any girl who refers to herself as something particularly hot as cayenne pepper has to live up to such a name. Well, *this* Cayenne certainly does! The striking beauty is younger than she looks. Not yet 20, her womanly features ensure that she rarely ever gets asked for ID at clubs. Come on, what kind of guy would say no to a girl like this?

Celina Cross

Sitting On A Park Bench

This succulent sweetie is Celina Cross, and she's a hot teen porn star. But today she's just hangin' in the park, enjoying her apple. Not one to be bashful, Celina takes off her clothes, hoping a horny hunk will happen by. Since that doesn't happen soon enough for sexy Celina, she plunges her vibrator into her juicy spot and gets herself—and us!—off! Ah, just another day in the park.
